

Elementary Mathematics

Grade 5 GT Quarter 3 Parent Update

Student: _____

This update shares the progress your student has made in this quarter. Data has been collected in a variety of ways including classroom work, observation, independent tasks, and assessments.

Expressions and Equations	Student Performance	
Rewriting expressions in different forms to solve problems (7.EE.2)	T	M
Solve problems with rational numbers (7.EE.3)	T	M
Write inequalities to solve problems (7.EE.4)	T	M
Geometry	Student Performance	
Draw geometric shapes given conditions (7.G.2)	T	M
Use knowledge of angles to find value of unknown angles (7.G.5)	T	M
Describe 2-D figures that result when slicing 3-D figures (7.G.3)	T	M
Solve problems with area and circumference of a circle (7.G.4)	T	M
Represent three-dimensional figures using nets and find surface area (6.G.4)	T	M

* This standard continues in future quarters.

T (Working toward meeting Grade 5 GT Quarter 3 standard) • **M** (Meets Grade 5 G/T Quarter 3 standard)
